

## Requirements for Arbors, Pergolas and Covers

Complete and submit a miscellaneous permit application with:

- Construction Plan – detailed drawing or phot of proposed cover
- Site plan - preferred survey/plot plan with construction item location drawn in
- Foundation/Pier Plan
- Framing/Roof Plan
- IF COVER IS ATTACHED TO RESIDENCE, AN ENGINEER LETTER AND PLAN ARE REQUIRED.

The permit fee for Arbor/Pergola/Patio Cover on existing concrete is \$75.00.

If adding concrete, the fee is \$75.00 and if adding electrical, the fee is \$75.00

The homeowner may pull the permit if they are performing the installation.

**All contractors are required to register and pull all permits for the work they are performing.**
